Are You Asking Yourself the Question

"Will it pay to buy materials and make up your own Muslin Underwear?" Permit us to say that at prices of the following goods your work would be lost and a part of what had been paid for materials. THE LAND OF FLOWERS AND
SUNSHINE.

California Woman's Letter of Special Interest to People in Barre.

At this season of the year a letter from the land of flowers and sunshine is of special interest to our readers. The following letter from the Holden Drug Co., of Stockton, Cal., one of the largest drug houses on the Pacific coast, is of especial interest. They write: "Enclosed is a letter from one of the most prominent residents of this city. She will not allow her name to be published in the newspapers, but we can furnish it to anyone writing us."

The letter is as follows:

"For some four years my daughter has had headaches, which seriously interfered with her school work. Until recently we attributed the trouble to eye strain, but happening to notice your advertisement of Hyomei we were satisfied that her trouble came from catarrh."

"We purchased a dollar outfit and within twenty-four hours great relief was experienced, and the loosening of mucous matter and the reduction of throat inflammation began. Sixty days' use of Hyomei made nearly a complete recovery, which we consider very satisfactory after nearly four years of expense and fruitless treatment by other methods, and that we feel grateful to put it mild."

Mrs. This letter shows that many cases of sickness and debility are simply caused by catarrh and that they can be cured by Hyomei. This is Nature's own method of curing catarrh, medicating the air you breathe.

A complete outfit, including the inhaler, costs but \$1, and extra bottles are only 50 cents. Ask Rickert & Wells to show you the strong guarantee under which they sell this remarkable remedy.
